## Newsletter for September 2021.

**July Meeting.** In July we had a demonstration about royal icing from Liz Ungless via zoom. She passed on lots of tips and ideas and very generously gave her time for free which was very much appreciated.

**August meeting.** We arranged a social evening at The Queens Head West Bergholt on August 26<sup>th</sup> which some of the members attended. Everyone who attended agreed it was nice to be able to meet up in person after such a long time.

**September Meeting.** I am very pleased to be able to say that our September meeting will be at Stanway Community Hall on September 30<sup>th</sup> at the usual time of 7.30. To welcome everyone back we will start the evening with drinks and nibbles and a short social time before we sit down to watch Georgie Godbold demonstrating one of her wobblies. There will be hand sanitizer at the door and we will space the chairs out to allow for some social distancing. If you are allergic to hand sanitizer please bring your own form of hand cleaning materials. If you feel happier to wear a face mask please do. We will have to have some ventilation so please ensure you will be warm enough. If you have any concerns please contact me. Please bring your own mug if you want tea or coffee. If you are able to do a Covid Lateral Flow Test at home before you come along that would be appreciated but not mandatory. We will do our best to keep everyone safe and still enjoy the evening.
