

Chair Sue Albins. Secretary Ann Skeggs. Treasurer Carol Rowe

Newsletter for July 2026
Next Meeting Thursday July 30th at 7.30 PM

June Meeting. Our demonstrator for June was unable to come but Christine Clark who is a member kindly offered to show us wafer-paper Anthriums which was something we had not seen before. They looked very effective and help to give an exotic touch to any arrangement or used on there own to good effect.

July Meeting. This month we have Jacqui Kelly who is going to do a squirrel with bark effect. This sounds very interesting.

Other News.

August Social Lunch. Marilyn has very kindly offered to host our August Social Lunch which will be at Lawford 12.30 for 1pm. Please add your name to the list and what food you will be bringing, Liquid refreshments will be provided by the club.
Car share and lifts available please let me know who will need a lift.

Great Bentley Show Sept 5th. If you are able to help in the marquee, doing some simple sugarcraft for the children attending the show, for approx. 1 hour, it would be greatly appreciated by the ladies who have very kindly offered to carry out this task again.

NSA Update.

Cake International Birmingham. The NSA will have a stall again and will be doing hour long mini workshops on all 3 days. You can book a workshop on the day. Spaces are limited to 8 people per session and are free. If you are going and have an hour to spare they would appreciate some help to promote the association and just generally talk about the benefits of belonging to a club. We have donated some equipment from the club for the bargain basement stall which is always popular.

Workshops. If you would like to do some mini workshops please let us know what you are interested in and we can organise these.

Don't forget to send pictures and sugarcraft news to Christine and Ann for our website and facebook, or like, comment and share via the facebook page. Please ask the permission of anyone featured in photos and keep personal details to a minimum for these sites which will help to keep everyone safe from scams etc. We have permission to have personal data on our members which we do not share with other people and is only available to me and the secretary, but if we post photos from club meetings or workshops please let us know if you do not wish to be in the photo.

Sales table. Don't forget to look on our bargain basement sales table, we accept donations or if you have equipment to sell we take 10% commission. Please label with your name and price and

take home anything that does not sell. We do not take large cake tins, cake stands or books as we have nowhere to store them.

The special offer of attending 1 meeting for free for visitors still applies, so please spread the word as we would love to see more people at our meetings and hopefully show people our craft.

We have posters available if anyone can display them or distribute to various locations e.g. libraries or village magazines.

Regards Sue
